IMPORTANT INFORMATION FOR PARENTS

CAREGIVER BACKGROUND CHECK PROCESS CALIFORNIA DEPARTMENT OF SOCIAL SERVICES

The California Department of Social Services works to protect the safety of children in child care by licensing child care centers and family child care homes. Our highest priority is to be sure that children are in safe and healthy child care settings. California law requires a background check for any adult who owns, lives in, or works in a licensed child care home or center. Each of these adults must submit fingerprints so that a background check can be done to see if they have any history of crime. If we find that a person has been convicted of a crime other than a minor traffic violation or a marijuana-related offense covered by the marijuana reform legislation codified at Health and Safety Code sections 11361.5 and 11361.7, he/she cannot work or live in the licensed child care home or center unless approved by the Department. This approval is called an exemption.

A person convicted of a crime such as murder, rape, torture, kidnapping, crimes of sexual violence or molestation against children **cannot by law be given an exemption that would allow them to own, live in or work in** a licensed child care home or center. If the crime was a felony or a serious misdemeanor, the person must leave the facility while the request is being reviewed. If the crime is less serious, he/she may be allowed to remain in the licensed child care home or center while the exemption request is being reviewed.

How the Exemption Request is Reviewed

We request information from police departments, the FBI and the courts about the person's record. We consider the type of crime, how many crimes there were, how long ago the crime happened and whether the person has been honest in what they told us.

The person who needs the exemption must provide information about:

- The crime
- What they have done to change their life and obey the law
- Whether they are working, going to school, or receiving training
- Whether they have successfully completed a counseling or rehabilitation program

The person also gives us reference letters from people who aren't related to them who know about their history and their life now.

We look at all these things very carefully in making our decision on exemptions. By law this information cannot be shared with the public.

How to Obtain More Information

As a parent or authorized representative of a child in licensed child care, you have the right to ask the licensed child care home or center whether anyone working or living there has an exemption. If you request this information, and there is a person with an exemption, the child care home or center must tell you the person's name and how he or she is involved with the home or center and give you the name, address, and telephone number of the local licensing office. You may also get the person's name by contacting the local licensing office. You may find the address and phone number on our website. The website address is <http://cclid.ca.gov/contact.htm>

ILLNESS – ACCIDENT - EMERGENCY PROCEDURES

In case of illness or accident: the school attempts first to contact parents, then a person designated on the child's ID and Emergency form. The child is isolated until removal from school.

In case of an emergency: the school contacts the paramedics, a parent, and, if appropriate, the child's physician.

All children should be accompanied by an AUTHORIZATION TO TREAT A MINOR form when they are in school, with a sitter, neighbor, in a friend's car, etc.

Included in this packet is a form prepared by Santa Monica Hospital Center which is required for extreme emergency treatment when the parent or guardian is not able to give consent (unavailable, unconscious, etc)

Please return this form or a similar one of your choice, which would protect your child, with your signature to the school office.

EMERGENCY DIASTER PLAN

The staff of Palisades Presbyterian Nursery School is prepared to continue caring for the children enrolled in the school through any disaster that might befall them. Descriptions of Fire Evacuation Routes have been posted in every classroom and adult restroom. Copies of the Emergency Disaster Instructions have also been posted in the classrooms and the adult restrooms and offices.

Files with identification and emergency information on each staff member and student are kept in the Nursery School office and the Director's car. Listed are a home address, home phone, parents' work phone numbers, and phone numbers of designated alternates for the parents.

In the event of damage to the school building, everyone will evacuate the building and gather on the North side of the parking lot to wait a Fire Department or Civil Defense representative says the building is safe to re-enter. Parents of the children will be called as soon as possible if the children must be taken home.

If there were mass disaster to the city, or school buildings destroyed, the children and staff would walk to Palisades High School, which is a designated Emergency Center, where food, water and emergency medical care would be available. Parents would be able to find their children in the declared Emergency Area at the school.

Please sign and return signed portion to the school office.
